LIABILITY DETAIL WORKSHEET

Deferred Revenue is event income that has been collected before the end of the period for an event that will occur after the end of the period. For the report before the event, enter the name of the event, and any event income collected as the current amount. For the report after the event, move the amount to the prior amount and zero out the current amount for that event. For example, Alabaster Alley's 12th night event accepts reservations in December. Any funds received in December would be reported as Current Deferred Revenue on the 4th quarter report, and Prior Deferred Revenue on the 1st quarter report next year.
