### Membership Assistance Requests

If you are having a difficult time purchasing a membership, you can request assistance directly from the Corporate Office. There is no need to prove that this request is valid. No financial questions will be asked, as the request will be taken on good-faith. To do this, please email [membership@sca.org](mailto:membership@sca.org) and let us know that you would like to take part in this program as funds allow. Please be assured that we will treat your request confidentially.

A completed membership application will need to be submitted directly to the Corporate Office by email, U.S. mail or fax. Once received, we will update the database to reflect that a basic one year Sustaining or International membership has been processed for you. If you already have a membership, we will extend that membership at no cost to you. If you're a new member, we will set up a new membership account for you. Family members may be included in the request, and will be entered as "family". The basic rules for Family membership apply (see membership form). An email confirmation will be sent immediately upon completion of processing, and membership cards will be mailed directly to your listed address.

If you have any questions or concerns, please feel free to contact us directly: [renee@sca.org](mailto:renee@sca.org) or [Theresa@sca.org](mailto:Theresa@sca.org). You can also reach us at the phone number listed above.

Kind Regards,

Renee Signorotti
