

How to set up quick access to your SCA Membership card on your mobile device:

On the iPhone

1. On the iPhone use Safari (even if that is not your usual browser on the phone), because it allows you to install shortcuts to your desktop
2. Open Safari and navigate to **members.sca.org/scacard/**
3. Login with your usual SCA credentials, but be sure to check ***Remember me on this Computer*** before you click Login!
4. The browser will display your online membership card.
5. Click the share button (which may appear at the top or bottom of your browser, depending on the version you are using. When you get the Share dialog, scroll all the way down to the bottom, where you will see the choice ***Add to Home Page*** . Click this. iOS will add an icon to your home display for your membership card. In the future you can just click this icon to open your member card. You may need to log in again periodically.

On an Android Phone

1. On an Android, you will want to use the Chrome browser.
2. Open Chrome and navigate to **members.sca.org/scacard/**
3. Login with your usual SCA credentials, but be sure to check ***Remember me on this Computer*** before you click Login!
4. The browser will display your online membership card.
5. Tap the menu icon (3 dots in upper right-hand corner) and tap ***Add to home screen***.
6. You'll be able to enter a name for the shortcut and then Chrome will add an icon to your home screen.
