

**REQUEST FOR COMMENTARY**  
**CORPORA X.B. - GRIEVANCES**

The Board of Directors is currently considering the removal of X. *Grievances and Sanctions*; B. *Grievances* from Corpora and placement of same into a freestanding document.

The reasoning behind this proposal relates to the fact that the information in X. B. *Grievances* (including both parts 1. *Principles* and 2. *Procedures*) does not contain required steps or actions within the grievance process, but rather recommendations by which disagreements may be managed so that intervention by the Board of Directors does not become necessary.

Corpora X. A. *General* contains pertinent and important information regarding use of hate speech in the SCA, definitions, and the procedure to handle such complaints. The current inclusion of the language contained in Corpora X. B. *Grievances* has caused numerous misunderstandings. Therefore, this change is being suggested for the sake of clarity. **Corpora X.A. is not being changed or removed. This removal affects Corpora X.B. only.**

Corpora in its entirety can be found here: <https://www.sca.org/resources/document-library/>
