

Society Seneschal's addition to Society Golf Cart Policy, approved by the Board April 24, 2022:

Addition to Society Golf Cart Policy:

Privately owned golf carts are not allowed at any SCA event unless approved in advance by the site owner, the event steward, and the seneschal in charge. Proof of private insurance by the cart owner or operator is also required. If golf carts are loaned or rented for use by an SCA group for an event, SCA golf cart insurance must be obtained as well as a documented rental agreement between the SCA legal representative and the owner or the leasing company.

Explanation: The SCA currently requires activation of golf cart insurance if an event staff rents or otherwise uses golf carts in putting on the event. While not common, there have been instances of private individuals bringing their own golf carts to events. This also creates some murky situations where the event staff may "borrow" the golf cart for use for event purposes. This policy will be added to the Seneschal's Handbook.
