

Society Seneschal's policy on youth participation in virtual and online events and activities, approved by the Board of Directors July 18, 2021:

As there is no way to guarantee adherence to the "Two Deep" model during live virtual or online Youth Activities, such activities are NOT sanctioned by the SCA.

All online activities billed as Youth Activities must follow an asynchronous model. The use of short engaging videos or written instructions for activities posted to official websites is encouraged. Any instructional videos for youth that are posted to an official channel should be previewed and approved by either the Kingdom Seneschal or the Kingdom Youth Officer. These videos may not contain instructor contact information (such as email address, etc.), nor may they encourage the viewer to contact the instructor. Further, any such videos must adhere to the specific platform's rules concerning videos for youth.

Youth are not prohibited from participating in general online activities hosted by the SCA. For these events, as with in-person events, the parents/guardians of the youth are responsible for overseeing their child's activities. Youth may participate in Kingdom and local online events, but their parents or legal guardians assume full responsibility for their child's safety and wellbeing.
